

Our founders believed that by adhering to the first principle of "Club Spirit" the Penguin S. C. would attain the object of it's constitution.

How right they were!

And from that humble beginning in 1921 sustained by success and spurred by disappointment, there has emerged a heritage which is both tangible and irreplaceable.

It now has a tradition of which the Old 'uns are justly proud and which the Young 'uns must preserve.

"To all and each a fair good night,  
and pleasing dreams and slumbers slight"
